SCS TODAY: August 21, 2020
[A late-day M-W-F update from the SCS Dean's Office]

RETURNING TO CAMPUS
— There are a number of new guidelines at CMU Libraries this semester including the closure of two floors of Hunt Library, the introduction of a seat reservation system, a virtual workshop series and newsletters to which you may want to subscribe.
— In case you missed it: take five minutes to watch the new "Tartans, Ready" video, which highlights what everyone needs to know about returning to campus.

EVERYONE'S COMMITMENT (AND RESPONSIBILITY) TO THE CMU COMMUNITY
— Daily symptom self-assessment– complete your self-assessment survey every morning before beginning your day.
— Physical distancing – maintain at least six feet (two meters) between you and others.
— Facial covering – everyone on campus must wear a facial covering.
— Frequent hand washing – regularly wash your hands with soap and hot water for 20 seconds.

FRIDAY FUN
— Episode 12 of SCS@home checks in with a few SCS students to find out what their fall semester looks like and asks them to offer advice to incoming first-year students.

NEXT WEEK
— Tuesday, August 25, 11:30 a.m., Pittsburgh Robotics Network will host a webinar on Raising Venture Capital in the Age of COVID-19.

Until Monday,
---- Martial

All of us share A Tartan's Responsibility and as members of the CMU community we must do our part to prevent the spread of COVID-19. If you plan to come to campus, you must complete the CMU Self-Assessment survey. Even if you're not coming to campus, CMU Community Health & Well-Being strongly encourages daily completion of the survey.
